

**ROA Director Update**  
**October 9, 2015**

Hello lovely ROA families,

Our College and Career Seminar last week was truly an amazing success. We had over 30 high school students attend. What a sight and what an opportunity for our students.

Please also know that we now have 11 a-g (UC approved) courses. This is yet another step in building our high school program to become absolutely amazing. For more information on anything “high school” and beyond, please make an appointment with our own counselor/career coach, Richard I. Our program has been growing in leaps and bounds, and we want to make sure that you are fully informed and take advantage of all we have to offer.

Please let us know, if you have any suggestions, comments or input on how we can make ROA even better. We always value your input. We are also interested in hearing about any classes and workshops that you would like us to offer next semester (the survey will be sent out at the beginning of November for your thorough comments).

Also, below you will see the link to **volunteer at the Rotary Street Fair festival on Sunday, October 18<sup>th</sup>**. Please remember that we are great because everybody works together. We need parents to help out (students are welcome to join in as well) and run the booth to represent our great school to the 20,000 people who are expected to attend the fair. Come out and help. Sign-ups for a slot are on sign-up genius.

**Come join in our Math Festival:**

Come explore creative problem solving at our Math Family Fall Festival!!

(To be referred to in the future as MF<sup>3</sup>)

Bring the whole family!

Pizza (fractional pieces) and drinks will be served.

**Date:** Thursday, 10/22/15

**Time:** 6-8 PM

**RSVP: Sign up Genius to guarantee your pizza**

Here is the Math Festival signup link:

<http://www.signupgenius.com/go/10c094eacad29a4fe3-math3>

**Please note—Important message about Textbooks and Materials:** While our textbooks and materials are beautifully displayed, we ask you that you **do NOT** take any materials. If you see something that is of interest to you, please email your teacher. **Materials may only be checked out by your teacher.**

**Please help keep our Parent Lounge neat:** We ask for your help. Our parent lounge has been a disaster at the end of each day. We ask that you help with keeping the lounge clean and put some of the toys and materials away before you leave. We appreciate your support with this.

**PICTURE DAY MAKE UP DAY: OCTOBER 19 from 10-12:00**

Sign-ups will on sign-up genius next week.

**ROA High School Students:** All of our high school students need to make an appointment and see our counselor, Richard, preferably within the month of September. You can do that by connecting with your teacher. Richard is amazing and he wants to make sure that our students know about their options and how we can integrate their passions into their high school studies and their future.

**Please check out the following events, where ROA is participating. We need your help:**

**Check out the Thousand Oaks Rotary Street Fair and volunteer at our booth for 1 hour. The Fair is fun and is an annual event here in Thousand Oaks. You could even start your Holiday shopping.**
