

## River Oaks Academy Network Expansion Quote

The following quotation is for the parts and labor necessary to facilitate an additional Internet/network expansion at the 920 Hampshire Road location.

All parts quotes are listed at retail price. Oaks Data always shops for the best pricing and will pass along those savings to River Oaks Academy. Labor is estimated and will not exceed the quoted amount.

### Parts:

1. Cisco Meraki MR16 Access Point  
Quantity 3 @ \$599.00 each - \$1,797.00  
  
*\*This is the exact access point currently installed at River Oaks Academy.*
2. Cisco Meraki 3year license.  
Quantity 3 @ \$429.00 each - \$1,287.00  
  
*\*Required in order to manage and configure the access point*
3. Trendnet Gigabit Ethernet 8-port Switch (if necessary)  
\$44.00
4. Netgear Gigabit Power over Ethernet 8-port Switch (if necessary)  
\$139.00

## **Network Cabling:**

CAT6 Network Cable Drops (if necessary)

At most, 4 drops will be required @ \$200 each

*\*This price includes all cable related parts and labor.*

## **Labor:**

### Access Point Configuration

Labor \$125/hour x 8 = \$1,000.00

- Initial configuration of each access point
- Configuration of the wireless SSID's (Teacher, Student, Parent)
- Configure possible Parent SSID lockout or QoS ruling to limit usage during test times

### Network Equipment Connection Configuration

Labor \$125/hour x 8 = \$1000.00

- Mount access point for best Wi-Fi distribution
- Connect and configure PC and Printer to network

## **Totals:**

Parts TOTAL w/ 3 year License:           \$3,267.00 + Tax

Cabling TOTAL:                               \$800.00

Labor TOTAL:                                 \$2,000.00

---

GRAND TOTAL w/ 3 year License:       \$6,067.00 + Tax

### ***Continuing Support***

"As needed" support hours above and beyond this estimate are billed at \$125 per hour.

### ***Notes & Disclaimers***

As always, unexpected issues can arise or features can be added or changed which would require additional time or parts to implement. All hours beyond those quoted will be first presented to ACS for approval.

All Client provided software for installation by Oaks Data must be genuine and possess a valid license.

**Oaks Data Systems, Inc. only bills for hours and materials actually used for implementation of items listed in this quote.** Parts and software are quoted at retail price. We always shop all our vendors for the best price, passing the savings to you.
