

**ROA Director Update  
Friday, February 3, 2017**

## **General Information**

Hello lovely ROA families,

We are happy to report that we are finally able to move into our Oxnard permanent location at Seabridge. We would like to thank our Oxnard families and staff for their patience and their support during these last few months. We are looking forward to our Grand Opening celebration, which is scheduled for Thursday, March 2 from 11:30-1:00 with delicious appetizers from Yolanda's. Stay tuned for more details.

Please let your student know that our daily Focus Room is now available for our students to do work throughout the day. The room is set up with laptops and will be monitored by a credentialed staff member each day. Especially on Wednesdays and Fridays, we ask that all students who are not here with a parent spend their time in the Focus Room, when they are not in workshops/classes. Both, Sherri and Maria, want you to know that if they are in the Focus Room, and your student has a math question, to feel free to ask them. They are there to help.

## **Parent Board Member needed starting with the 17-18 School year**

We will need a new parent (or community) board member (board elected) for the new school year. The position entails that you would attend our monthly board meetings (usually every first Thursday of the month—they usually last about 2 hours) and would have an opportunity to give back to this great school community. Your total monthly investment of time would be about 5-7 (except in the fall, where we usually have a board retreat, which is at least ½ day). For more information, please contact me ([claudia.weintraub@roavc.com](mailto:claudia.weintraub@roavc.com)), or our board secretary, Denise Filz, ([dfilz@sbcglobal.net](mailto:dfilz@sbcglobal.net)).

## PAC info reg. Parent Lounge

Dear ROA Parents and Students,

We need your help!

As you know, the parent/student lounge is available for use to all ROA parents and students. We are happy to provide this, but we have been repeatedly dealing with managing cleanliness of the space.

We ask that all parents and students utilizing the lounge, please tidy up after themselves and/or their children. We desire for the lounge to be a consistently comfortable and clean environment. If we all pitch in and do our part, we will achieve this.

Also, in an effort to maintain cleanliness of the lounge, PAC has collectively decided to significantly reduce the number of toys available for use. This will allow us to keep cleaning tasks to a minimum, provide a more hygienic environment, and reduce overall clutter.

Thank you for your help!

**Our next Prep & Pizza day on Thursday, February 16.** The first one (in January) was a great and successful event organized by our wonderful staff. We are so happy about the turn-out and hope to continue to draw such a wonderful crowd for the fun for the February event as well. Come and experience the exciting event, socialize with friends and enter into the raffle.

We also would like to **thank our PAC** for organizing the bowling event. We heard that it was a great success and a lot of fun.

Focus Room: As you have seen on our schedule, we now have a daily Focus Room. The Focus Room is staffed on a daily basis with one of our credentialed staff members. We urge all students to do quiet work (we also have computers set up for them) in the Focus Room. **Please note:** we really would like all students (especially on Wednesday and Friday, when they are here without parents) to utilize the Focus Room and **NOT just hang out in the lounge or the hall**, if they have a break between classes.

Sign-in and Out Requirements: Please make sure that your student is signed in/out, if you (the parent or guardian) are not on campus. High school students can do that themselves on a Wednesday/Friday as long as we have the proper permission signed. This is truly important in case of an emergency. Please reiterate that to your student as well.

## **Trip to CREATE Studio in Westlake after Prep & Pizza** **(organized by PAC)**

PAC has arranged a trip to Create Studio in Westlake Village for **Thursday, February 16, 1:00-3:00**.

We really hope you will be able to join in and have some creative fun at this unique art studio!

Please see flyer for details (flyer is displayed at ROA).

We hope you can make it!

Kasey, Mariana, Chandra, Pamela and Candice

### **IMPORTANT SEASONAL AND WORKSHOP REMINDER**

With the wet and cold temperatures and everybody coming back on campus, we are urging you to:

Please remember that **if your child shows symptoms of illness** (cough, fever, runny nose, etc.) please keep him/her at home.

Please also remember that there is a **no food policy** in **all rooms** except the parent lounge and during lunchtime in Room 6. Please help us adhere to that, since we do have students who are highly allergic to a variety of foods, and we always want to make sure that everybody stays safe.

### **Parent Input Wanted**

**Parents: Please remember that we want to hear from you. We always love to get your suggestions, thoughts, input and comments about things we are not doing, we are doing, we could be doing. Feel free to email any thoughts to your teacher or me directly.**

## **Spring Workshop Schedule and sign-up information:**

Please check out our website, where you will find our Spring 2017 workshop schedule. Please know that we always reserve the right to make some last minute changes, if necessary. We have worked hard to offer you some great new workshops, while making some changes. Here are some of the highlights:

- Our workshops all start on the hour and are going to be 50 minutes long
- There will only be 10 minutes between workshops
- We are now offering a Focus Room (computer room) in Room #3 every day from 9-3 (other than Friday only from 9-12)
- On M/T/W we are offering a lunchtime room (Room #6) for your student to eat lunch.
- M/T we are starting our classes at 10:00 and W/F at 9:00.
- We are excited to offer an all “movie/film making” block on Fridays for our high school students interested in film, consisting Screenwriting (with Vivian and Leslie), Film Scores (music with Ken), Filmmaking and Cinematography (with Ian).

**Below, you will find the instructions on how to get your log-ins ready. Please note, we used the email that the school has on file. Please check with your teacher that the email we have and the one that you are using are a match.**

## **PARENT BOOT CAMP**

Hosted by Leslie, Kathy and Michal

**Wednesday at 10:00 in room 4**

Get reacquainted with parents and teachers on the same mission of this journey, called homeschool.

This week's topic we will be exploring a personality profile,

continuing with discussions on a fixed, and growth mindset,

and more reflection on the writing process.

**Come join the conversation...**

## **Tar Pits Homeschool Days**

*We still have two more Homeschool Days coming up this school year. We hope to see you at...*

### **Bugs and Botany | March 14, 2017**

What do insect fossils teach us about the Ice Age Environment? How do plant remains get preserved in asphalt? Spend this Homeschool Day with two often under-appreciated groups of organisms: insects and plants! We think you'll find these resilient Ice Age survivors surprisingly captivating and incredibly significant to the study of Pleistocene L.A.

### **Dig It! | June 07, 2017**

This Homeschool Day, we are joining up with our Mobile Museums team to explore how archaeology and paleontology can help us uncover the mysteries of the past. Excavate aboard the Mobile Museums Archaeology Experience truck before touring the La Brea Tar Pits: the largest active urban paleontological site in the world.

## **Counselor's Corner**

### **The PSAT 10 is coming!**

Attention 10<sup>th</sup> and 9<sup>th</sup> graders! River Oaks Academy will be offering the PSAT 10 on Thursday, March 30<sup>th</sup>, 2017, right here on our main campus. The PSAT (Preliminary Scholastic Assessment Test) is the official preparation assessment for the SAT, which most colleges and universities use to determine eligibility for admission. By taking this special edition of the PSAT, designed for tenth graders, students will gain valuable testing skills and receive free test prep from the College Board. The PSAT 10 is a practice test, and results are only shared with students, parents, and your teachers here at River Oaks, with the sole purpose of helping you prepare for the actual SAT. For sophomores, this will also serve as a great preview of the PSAT that is designed for 11<sup>th</sup> graders, and is offered in the fall.

The PSAT 10 is free for our students. We will send out detailed registration information soon to help you sign up and prepare for this valuable college preparation tool!

Visit [www.collegeboard.org](http://www.collegeboard.org), or contact your counselor, Richard Intlekofer, at [richard.intlekofer@roavc.com](mailto:richard.intlekofer@roavc.com) for more information.

✓ Seniors!!! Are you planning to apply to a four-year university for the fall of 2017? Make an appointment with Richard Intlekofer, Counselor, as soon as possible, to receive assistance in the application process. And, be sure to take your ACT or SAT by December of this year! Seniors who plan to attend a community college after graduation will be offered assistance in the application process in the spring.

✓ The financial aid process for seniors has changed. You may now file the FAFSA (Free Application for Federal Student Aid) beginning October 1, 2016, for the 2017-18 school year. Seniors and parents should make appointments to see Richard for information and assistance in the process of applying for financial aid and scholarships for college.

Registration for Community College Courses for Spring, 2017: Students interested in taking a community college course in the spring of 2017 may enroll soon! Each community college system has its own process and calendar, so see your teacher and/or Richard Intlekofer, Counselor, for information. Students need to complete an application for admission, as well as a concurrent enrollment form, as well as other documents. For those interested in attending classes at Moorpark, Oxnard, or Ventura College, registration dates are drawing near! Take advantage of this

opportunity to earn college and high school credits at the same time! And, don't forget that registration fees are waived for our students!

**Career Education Center:** The Ventura County Career Education Center offers a wide variety of courses for high school students. While many of the CEC courses are yearlong, there are a few that are offered on a semester basis. Check the catalog at the Ventura County Career Education Center website, or in paper form in the River Oaks front office. If your student is interested in a semester CEC course, see your teacher.

**PSAT Results:** The results from the PSAT (Preliminary Scholastic Assessment Test) that a number of our students took in October will be emailed directly to students in December. Be sure to take advantage of the many SAT preparation opportunities provided with your results by the College Board. Make an appointment with Richard for in depth analysis of your student's results. And, for sophomores and freshmen, we will be offering the **PSAT 10** right here on our campus in April. Watch for further information on this terrific chance to see what the SAT is like!

**SAT Test Center:** River Oaks Academy has been approved as an SAT test center! We offered our first SAT in October, and we have another scheduled for June 3, 2017. If your student is planning to take the SAT in the spring (primarily juniors), visit the College Board website at [www.collegeboard.org](http://www.collegeboard.org). We do not register students for the SAT, and we cannot save seats for our students. We only have 40 spaces available, so register soon! Again, contact Richard at [richard.intlekofer@roavc.com](mailto:richard.intlekofer@roavc.com) for further information!
