

**ROA Director Update  
Friday, February 24, 2017**

## **General Information**

Hello lovely ROA families,

In celebration of our (finally) getting into our facilities in Oxnard, we are going to have a Grand Opening. Please come and join us for that on Thursday, March 2. Please RSVP. More info later in the news email.

## **SAT Tutoring Sign ups now open in i-Class**

If you have a student who is interested in SAT tutoring, please sign him/her up on the i-Class system. SAT tutoring starts March 1<sup>st</sup> and runs for 10 weeks.

SAT PREP ELA BOOTCAMP (8-12) Wed @12:00 WLW

SAT PREP MATH BOOTCAMP (8-12) Wed @1:00 WLW

## **Parent Board Member needed starting with the 17-18 School year**

We will need a new parent (or community) board member (board elected) for the new school year. The position entails that you would attend our monthly board meetings (usually every first Thursday of the month—they usually last about 2 hours) and would have an opportunity to give back to this great school community. Your total monthly investment of time would be about 5-7 (except in the fall, where we usually have a board retreat, which is at least ½ day). For more information, please contact me ([claudia.weintraub@roavc.com](mailto:claudia.weintraub@roavc.com)), or our board secretary, Denise Filz, ([dfilz@sbcglobal.net](mailto:dfilz@sbcglobal.net)).

## IMPORTANT SEASONAL AND WORKSHOP REMINDER

With the wet and cold temperatures and everybody coming back on campus, we are urging you to:

Please remember that **if your child shows symptoms of illness** (cough, fever, runny nose, etc.) please keep him/her at home.

Please also remember that there is a **no food policy** in **all rooms** except the parent lounge and during lunchtime in Room 6. Please help us adhere to that, since we do have students who are highly allergic to a variety of foods, and we always want to make sure that everybody stays safe.

### Parent Input Wanted

**Parents: Please remember that we want to hear from you. We always love to get your suggestions, thoughts, input and comments about things we are not doing, we are doing, we could be doing. Feel free to email any thoughts to your teacher or me directly.**

iD Tech was one of our vendors at our STEAM Expo Night. Below, please find a blurb for their summer camp at CLU.

**iD Tech is a STEM focused summer education program. We hold our programs at universities across the country, including CLU and UCLA, with courses covering everything from coding to game design and robotics!** Our 8:1 student-to-instructor ratio ensures personalized instruction and “ah ha” moments for students of all skill levels. Each summer, iD Tech inspires over 50 thousand students ages 6-18, showing them how their interests in technology can turn into fun learning experiences. Your child will explore a college campus, make new friends, create an impressive project and build skills that last long after summer. [Learn more today!](#)

## **Congratulations Are in Order!!!**

We are excited to tell you that three of our River Oaks high school students were honored at the *Ronald Reagan Library Film Festival* last week for their outstanding achievements in cinematography! These three students participated in the “Film This!” workshop last summer at the Library, studying the art of film making, and enjoying the opportunity to make their own films.

**Hannah Rosenberg** won the festival award for “*Most Inspiring*,” for her work titled, “**The Woman, the Justice, the Impact, and the Man Who Made It Possible.**”

**Sophia Berryhill** and **Mimi Cocquyt** were awarded “*Best Film*” for their work titled, “**Primetime: John F. Kennedy and the Media.**”

Many River Oaks students and faculty were on hand to support our film makers at this exciting Reagan Library event. Congratulations to Hannah, Mimi, and Sophia for making us all proud!

## **Career Pathway Updates**

### **Career Pathway - Speaker Special Event**

**Open to:** 9th-12th grade students

**When:** April 4th from 5:00PM- 8:00PM at Le Reina High School

RSVP: [gina.vanness@roavc.com](mailto:gina.vanness@roavc.com)

**Sponsored by:** Stephen Yoeh, River Oaks Academy Business Partner - Computer Networking Pathway

April is National Distracted Awareness month. GIFT (Gaining Insight for Transition) has teamed up with the California Highway Patrol Officer Leland Tang and student Neelu Toeh to talk about the risks of distracted driving. In addition to this short awareness presentation, GIFT mentors and presenters will represent areas of: Technology, Education, Entrepreneurship, Fashion & Design, Politics, Medicine, Community Advocacy Law Enforcement, Professional Sports, Chamber of Commerce, and Financial Planning. Students will have the opportunity to meet in small groups to learn more about their areas of interest and ask questions. Light snacks will be offered.

## **Calling all Parents/Professional/Grandparents!**

**We are holding mock interviews** for our College Career Students

**When:** Friday, March 24th 11-12:30.

**Where:** River Oaks Academy

We are looking for interested participants to be the interviewers for our students. The questions and rubric for evaluating each student will be provided. Help us give our students a real experience with interviewing and practicing their work skills.

No previous experience is necessary.

Contact Michal or Kathy for more information.

### **The PSAT 10 is coming!**

Attention 10<sup>th</sup> and 9<sup>th</sup> graders! River Oaks Academy will be offering the PSAT 10 on Thursday, March 30<sup>th</sup>, 2017, right here on our main campus. The PSAT (Preliminary Scholastic Assessment Test) is the official preparation assessment for the SAT, which most colleges and universities use to determine eligibility for admission. By taking this special edition of the PSAT, designed for tenth graders, students will gain valuable testing skills and receive free test prep from the College Board. The PSAT 10 is a practice test, and results are only shared with students, parents, and your teachers here at River Oaks, with the sole purpose of helping you prepare for the actual SAT. For sophomores, this will also serve as a great preview of the PSAT that is designed for 11<sup>th</sup> graders, and is offered in the fall.

The PSAT 10 is free for our students. We will send out detailed registration information soon to help you sign up and prepare for this valuable college preparation tool!

Visit [www.collegeboard.org](http://www.collegeboard.org), or contact your counselor, Richard Intlekofer, at [richard.intlekofer@roavc.com](mailto:richard.intlekofer@roavc.com) for more information.

✓ Seniors!!! Are you planning to apply to a four-year university for the fall of 2017? Make an appointment with Richard Intlekofer, Counselor, as soon as possible, to receive assistance in the application process. And, be sure to take your ACT or SAT by December of this year! Seniors who plan to attend a community college after graduation will be offered assistance in the application process in the spring.

✓ The financial aid process for seniors has changed. You may now file the FAFSA (Free Application for Federal Student Aid) beginning October 1, 2016, for the 2017-18 school year. Seniors and parents should make appointments to see Richard for information and assistance in the process of applying for financial aid and scholarships for college.

Registration for Community College Courses for Spring, 2017: Students interested in taking a community college course in the spring of 2017 may enroll soon! Each community college system has its own process and calendar, so see your teacher and/or Richard Intlekofer, Counselor, for information. Students need to complete an application for admission, as well as a concurrent enrollment form, as well as other documents. For those interested in attending classes at

Moorpark, Oxnard, or Ventura College, registration dates are drawing near! Take advantage of this opportunity to earn college and high school credits at the same time! And, don't forget that registration fees are waived for our students!

Career Education Center: The Ventura County Career Education Center offers a wide variety of courses for high school students. While many of the CEC courses are yearlong, there are a few that are offered on a semester basis. Check the catalog at the Ventura County Career Education Center website, or in paper form in the River Oaks front office. If your student is interested in a semester CEC course, see your teacher.

PSAT Results: The results from the PSAT (Preliminary Scholastic Assessment Test) that a number of our students took in October will be emailed directly to students in December. Be sure to take advantage of the many SAT preparation opportunities provided with your results by the College Board. Make an appointment with Richard for in depth analysis of your student's results. And, for sophomores and freshmen, we will be offering the **PSAT 10** right here on our campus in April. Watch for further information on this terrific chance to see what the SAT is like!

SAT Test Center: River Oaks Academy has been approved as an SAT test center! We offered our first SAT in October, and we have another scheduled for June 3, 2017. If your student is planning to take the SAT in the spring (primarily juniors), visit the College Board website at [www.collegeboard.org](http://www.collegeboard.org). We do not register students for the SAT, and we cannot save seats for our students. We only have 40 spaces available, so register soon! Again, contact Richard at [richard.intlekofer@roavc.com](mailto:richard.intlekofer@roavc.com) for further information!
