Held at ROA in Westlake

*Registration will open 2-12-18

.....

For the first time, the **SAT** will be administered on school days, in addition to the traditional Saturday exams. River Oaks will be offering the **SAT for all interested 11th graders free of charge** on Tuesday, April 10, at 8 am, here on our campus. This is a great opportunity to take the SAT without having to use a Saturday, and under comfortable conditions right here at your school!

11th graders who may want to attend a four-year college in the fall of 2019 need to take the SAT and/or the ACT. And, normally you would need to pay as much as \$60 to take the exam.

If you are interested in registering for the SAT School Day Exam on April 10, please let Richard know. You may take either the SAT or the SAT With Essay. We will be posting registration forms soon, but we wanted to give you a heads up now, so that you will have time to prepare for the exam.

And...please note that we will also be offering the **PSAT 10** on that same date in April. The PSAT 10 is for our 9th and 10th graders. Be sure to register for the correct test!

Our PAC has a great field trip lined up for you:

The flyer for Bennett Honey Farm features a black silhouette of a building on the left, a cartoon bee flying in the center, and a wooden honey dipper with honey dripping on the left side. A dashed line with an arrow points from the building towards the bee.

We can also do a self guided tour of the Fish Hatchery afterward for those that would like to and enjoy a picnic lunch together.

Please let Kara White know if you can attend at 708 923 6802 by the 12th.

We also have another amazing Parent Bootcamp scheduled:

The flyer for Parent Bootcamp has a light green background with a decorative graphic of thin, dark lines on the left side and a red arrow pointing right. The text is centered and uses a mix of serif and sans-serif fonts.

Parent Boot Camp

Non-Violent Communication

Join ROA teacher, Leina, as she shares effective communication through the “language of compassion.”

With NVC we learn to hear our own deeper needs and those of others.

Through its emphasis on deep listening, to ourselves as well as others, NVC helps us discover the depth of our own compassion.

Pac Info

Hello from PAC...

We are looking forward to a great second semester at ROA!

Parent Boot Camp – Tuesdays from 10:00-10:50 in Room 4

One of our favorite opportunities at ROA is *Parent Boot Camp* hosted by ROA teachers, Leslie & Kathy. Here you'll enjoy weekly, supportive, homeschool-related topics, presented by ROA teachers and ROA parents alike, to help fuel and propel your homeschool. Scheduled topics appear in the ROA App...check out the PAC tab to see what is happening.

PAC Time – Tuesdays from 11:00-11:50 in Room 4

Immediately following *Parent Boot Camp*, PAC members will be hosting *PAC Time*. Join Pamela, Chandra, and Candice for an “open-forum” chat time to discuss anything and everything homeschool!

Think of it as tea time (usually with coffee, too!) with fellow ROA parents to connect and support each other, meet PAC, and see what events are being planned. This is the time and place to connect as parents and build community...Please join us. Nothing is off-topic, and your input is desired!

ROA Yahoo Group

Are you receiving the ROA Yahoo Group announcements? Stay connected and updated with your ROA community. OXNARD Resource Center

Dear Oxnard Families,

We would like to let you know that we are going to hold our next board meeting on March 1, 2018 @ 6:30 at our Oxnard resource center. We would love for you to come by and meet our board members, if you are available.

Workshops and classes are going well. If you attended this week's Coffee and Conversation, you know that we were starting to discuss what changes we would like to suggest for our Oxnard resource center for the fall. We are preparing a survey for all of you to give us input. Please fill it out when you get it. It's short, but it will be very helpful to make sure that we structure the 18-19 school year, so it will work for you.

We look forward to your input and to seeing you on campus.

Community College Registration Information for the Spring, 2018 Semester

As the Spring 2018, semester approaches, it is time to begin the registration process for community college courses. As you know our students may attend community college courses without paying the \$46 per unit tuition (other fees, such as parking, health fee, lab and book fees, may apply). While many of our local community colleges will permit registration for our students in December or January, **Moorpark College** has implemented several changes that will benefit our students:

1. Our students in Grades 9-12 may register for classes beginning **November 22**. This means that students in grades 9 and 10 will no longer need to sit in a class for the first week to gain enrollment. Students below ninth grade will still need the permission of the professor.
2. While students with an existing account at Moorpark (your VCCCD number) are now permitted to upload and submit your dual enrollment form to register, we recommend that you still conduct a walk-in registration on November 22.
3. The Dual Enrollment form for Moorpark now incorporates the Memorandum of Understanding, so that you will need to complete just one form. This form must be signed by River Oaks to gain permission to take your course or courses. You also need to take with you an unofficial transcript, which we will give you upon request.
4. Students in grades are now eligible to take up to 11 units, with the permission of River Oaks.

For detailed information go to www.moorparkcollege.edu, click on "Apply and Enroll," then click on "Apply for Admission." Under New Students, click on "Dual Enrollment," and follow the instructions. If your student has never taken a community college course, the Application for Admission will need to be completed. If he or she already has a VCCCD account, then the process begins with the Dual Enrollment form.

See your teacher, or your Counselor, Richard, for assistance. And remember, this applies to Moorpark College only. See us for help with other colleges.
