

ROA Director Update

June 1, 2018

General Information

This is the last Director Update for this school year. If you attended yesterday's graduation, you know how amazing the celebration was.

With that, I would not only like to congratulate our **2018 Graduates** again, but take a moment to thank all the people who made this graduation happen.

Our Hospitality students and teachers, Michal and Kathy, prepared and organized this event. Beverly, who oversaw everything and worked on such details as our lunch tickets. Tezo, who always is our amazing DJ.... Richard I., our guidance counselor who with such amazing grace and passion guides our students to the finish line.

Our PAC Chill who always in the background works its magic. They again made sure that the decorations were set up just right and with the amazing volunteers ensured that the lunch line moved smoothly.

And, of course, all of our staff. As you know by now, ROA works as a team. An event such as a graduation and year-end celebration does not happen without the collaboration of a team.

And, last, but certainly not least.....our amazing group of graduates. 26 of them!!! They made it to this point with all of their hard work, dedication and passion. We will miss all of them and hope they will stay in touch.

With that highlight event yesterday, ROA staff and I would like to wish all of you a most beautiful summer. We hope that you get a lot of R&R, so when we come back August 21st, we'll be ready to tackle the 18-19 school year.

Please know that our office is open throughout the summer. We are on shorter daily hours (9-3), but will have somebody at the office most days. If you need anything, please don't hesitate to connect or just stop by to say hi.

We are also **posting the fall 2018 workshop** schedule on our website tonight. So, please have a look at what our offers are for the fall. We hope that you like the choices we put together for you. We are happy to say that we again were able to add some amazing new vendors. Please know that there are still some minor changes possible, however, the majority of the vendors are all in place and set.

Happy Summer!!!!

Dear Oxnard Families,

This was our last week of our short session. We hope that you enjoyed the classes and workshops.

We look forward to seeing you at our Year-end Celebration and Graduation. The last day of school will be June 1. Your teachers will return mid August and school starts up again on August 21.

Please remember that if you have any questions, we will be around throughout the entire summer.
