

## **ROA Director Update**

**December 20, 2018**

### **General Information**

Lovely ROA families,

**On Friday, 12/21, we will start our Winter Break. We will be on break through January 7<sup>th</sup>. We wish everybody a most enjoyable and happy Holiday Season and look forward to seeing you back in 2019.**

**The spring workshop schedule will be published today on our website, so you have enough time to figure out your schedule for the spring. Sign-ups won't start until about mid January.**

**HELP NEEDED: We are happy to let you know that we are able to lease the suite next to our main office (920 Suite V). With that, we are moving all of our furniture, file cabinets, etc. downstairs and are asking for some helpers on either the 28<sup>th</sup> and/or the 29<sup>th</sup> of December. We need a couple of strong folks with a dolly if possible (we also have a couple of dollies, if you don't have one). If you are available or know of somebody who could help us, please let us know. It won't take very long, as there are only a handful of heavy items left. We figure no more than 2 hours.**

Please note that our **Focus room** in Westlake will be open for your students starting again, the week of January 7<sup>th</sup> through January 25<sup>th</sup> on the following days:

**Mondays:** 10-11:00 Math Lab/Focus Room  
11-12:00 ELA Lab/Focus Room  
12-1:00 Focus Room

**Wednesday** 10-11:00 Math Lab/Focus Room  
11-12:00 ELA Lab/Focus Room  
12-1:00 Focus Room

**Friday** 10-11:00 Math Lab/Focus Room  
11-12:00 ELA Lab/Focus Room  
12-1:00 Focus Room

**In Oxnard, we offer the following:**

Our Focus Room, Math lab, ELA lab start up again on January 8<sup>th</sup> through the beginning of workshops, January 28<sup>th</sup>:

**Tuesdays and Wednesdays:**  
10-11 Math lab  
11-12 ELA lab  
12-1 Focus room

**Please take advantage of this additional academic support.**

**Attention Writers!**

Students (4th-12th grades), parents and teachers, you are invited to bring your writing notebook and a snack to share for our winter writing marathons. Please RSVP to Leina: [leina.ball@roavc.com](mailto:leina.ball@roavc.com) with names and location(s).

**Tuesday Jan 22nd 9AM-noon WLW (4th-12th grades)**

## Pac Info

### *Hello from PAC...*

A message from PAC:

Homeschooling our students with the support of ROA enables them to prepare for whatever comes their way. ROA unites us to share our gifts, talents and dreams while we offer encouragement and inspiration to one another on our journey.

Parent Boot Camp will **resume on January 29th**. Join us to learn something new or come share your tips to inspire others... **Parent Boot Camp is at 10:00am in Room 4** at Westlake site while workshops are in session. Just come on into Room 4 at 10:00am, no need to sign up. Whether you've been homeschooling for years or you've just started, everyone is welcome! PAC Time immediately following for questions, comments, ideas & suggestions!

Be in the know with ROA Yahoo Group! The River Oaks Academy Yahoo Group is an online community serving to keep parents informed about school events and happenings. This is a closed group to send & receive messages about news related to ROA. It's a great way to stay connected and updated with the ROA community! Ask your Teacher to join or email Pamela at [LaDolceVita@roadrunner.com](mailto:LaDolceVita@roadrunner.com) to receive an invitation. "Invited users need to accept the invitation, sign-in with their Yahoo ID to become members."

Warm Regards, Pamela

Much Appreciation from PAC Chill

## Career Pathway Updates

### ROA PATHWAY PROGRAMS

Our Pathway programs are in full swing. Here are the current happenings in our classes.

**College & Career Seminar** has a lively group of high school students in Westlake, working through the budgeting module in their 10yrplan. Oxnard’s class is going well with guest speakers and class activities that correlate with their 10yrplan. We look forward to hearing from guest speakers, both business partners and community resources sharing with us about a variety of career choices and personal stories of their own career journeys. Students are realizing that life takes more money than previously believed.

Our Oxnard **CCS** class is also working on budgeting. The students worked in groups and had great discussions. Students will bring actual numbers from home on what their parents pay for various categories to have real numbers to work with. They are participating and mindfully thinking about who they are and what they want.

**Hospitality, Tourism and Management:** Our students are meeting monthly and doing a hybrid course online for this first semester. They are learning about the history of hospitality and exploring the large variety of careers and venues in which hospitality is involved. These students will be joined by others second semester as they plan and execute our graduation as a culminating project. We are in the process of planning a field trip to Disneyland for Disney’s Approach to Leadership and Teamwork.

**Intro to Law and Criminal Justice:** Both the legal and criminal justice students are currently researching and examining techniques used in the recent apprehension of the Golden State Killer.

The Into to Law class will be examining the implications for law enforcement and the public in light of the use of consumer DNA provided to a genealogy website by a distant relative,

The Criminal Justice class is learning about the benefits of this type of technology for investigating cold cases.

We are in the process of planning trips to the VC Sheriff's Training Academy in December and a trip to UCLA later this semester.

(Networking Pathway - Year 1)

In **IT Fundamentals**, students have briefly learned about the features common to all computing devices; the different types of general-purpose computers; how computer networks work; methods of remotely accessing computer systems; and, specialized computer systems and their purposes. Students will be learning how to differentiate among CPUs in terms of speed and features; about the types and technologies of memory in a PC, a motherboard's form factors and features, and the purpose and functions of a power supply.

(Networking Pathway - Year 2)

In **IT Essentials**, students are using an awesome, online, lab simulator called TestOut! They have learned how to set up a computer. They are learning about the Windows, Linux and Mac operating systems; and, computer safety measures, protecting against electrostatic discharge, and environmental concerns. They will be learning about the professionalism required of a PC Technician, and about the PC Toolkit, maintenance best practices, and troubleshooting.

In **IBEF**, students have had a brief introduction to economics and provided economic advice to our current POTUS (President of the United States). They have learned how entrepreneurs impact the economy; what positions are required for setting up a corporation; and have developed their company groups, company descriptions, product line overviews, initial product designs, and company logos. They will be learning about the first three parts to a business plan, and how to save money before and during college, so they won't be drowning in student loan debt when they graduate from college. The college savings plan project involves a game where the goal is to have less debt than your expected starting salary after college; and enters the students into a contest where they can win a \$5,000 college scholarship!

## **OXNARD Resource Center**

Dear Oxnard Families,
