

ROA Director Update

March 8, 2019

General Information

MOCK TRIAL SUMMER CAMP INFO:

Our legal pathway teacher, Wendy Carlton, will be teaching a mock trial summer camp at the Career Education Center at the Camarillo Airport for high school / incoming high school students. It's every day from 9am-12pm, July 1 through July 26 (no class on 7/4).

Here's the link to the

course: <https://cec.gosignmeup.com/public/Course/browse?courseid=3269>

- **STEAM event in Oxnard is scheduled for March 14th. Look for more details. We hope to see you.**

Attention Writers & Artists:

We would like to celebrate your art and writing! This is your invitation to publish your best art and/or writing from this school year in our Musings Magazine. Work must be original. Art will be printed in B&W, so high contrast is best and can be sent as a jpeg or pdf. Writing can be poetry or pros, fiction or non-fiction (letter, report, essay, review, summary, etc.).

Writing must be thoroughly revised and edited and include a title. Students may submit 1-2 pages of work. Please put all pieces in ONE document saved as student first and last name. On each piece the format is title, author name and piece and then a couple spaces before the next piece.

All submissions are due electronically to Leina Ball at: roamusings@gmail.com by **March 25th, 2019**. They can be shared through google docs or pasted into the body of an email to the roamusings@gmail.com email address.

Looking ahead to the 19-20 school year:

We would like to make you aware of two new bills that have been passed and with which ROA needs to comply for the 19-20 school year.

1. Charter School Meal Mandate Nutritional Food Service Programs (AB 1871, Bonta)

ROA will be providing one healthy meal (breakfast) to our students starting with the 19-20 school year. Students who qualify for a free or reduced meal, will of course be extended that opportunity. Other students are welcome to purchase a breakfast. We have not worked out all the details yet, however, we know that during workshop weeks and testing weeks, we will be providing this service starting with the 19-20 school year. More information will be forthcoming as we get it.

2. California Health Youth Act Instruction (AB 2601, Weber)

Enacted January 1, 2016, this law requires school districts to ensure that all pupils in grades seven to twelve, inclusive, receive comprehensive sexual health education and HIV prevention education. If you have any question, please email Ms. Leanne Staback: Leanne.staback@roavc.com.

The California Healthy Youth Act has five primary purposes:

- To provide pupils with the knowledge and skills necessary to protect their sexual and reproductive health from HIV and other sexually transmitted infections and from unintended pregnancy;
- To provide pupils with the knowledge and skills they need to develop healthy attitudes concerning adolescent growth and development, body image, gender, sexual orientation, relationships, marriage, and family;
- To promote understanding of sexuality as a normal part of human development;
- To ensure pupils receive integrated, comprehensive, accurate, and unbiased sexual health and HIV prevention instruction and provide educators with clear tools and guidance to accomplish that end;
- To provide pupils with the knowledge and skills necessary to have healthy, positive, and safe relationships and behaviors

Pac Info

Hello from PAC...

A message from PAC:

Homeschooling our students with the support of ROA enables them to prepare for whatever comes their way. ROA unites us to share our gifts, talents and dreams while we offer encouragement and inspiration to one another on our journey.

Parent Boot Camp will **resume on January 29th**. Join us to learn something new or come share your tips to inspire others... **Parent Boot Camp is at 10:00am in Room 4** at Westlake site while workshops are in session. Just come on into Room 4 at 10:00am, no need to sign up. Whether you've been homeschooling for years or you've just started, everyone is welcome! PAC Time immediately following for questions, comments, ideas & suggestions!

Be in the know with ROA Yahoo Group! The River Oaks Academy Yahoo Group is an online community serving to keep parents informed about school events and happenings. This is a closed group to send & receive messages about news related to ROA. It's a great way to stay connected and updated with the ROA community! Ask your Teacher to join or email Pamela at LaDolceVita@roadrunner.com to receive an invitation. "Invited users need to accept the invitation, sign-in with their Yahoo ID to become members."

Warm Regards, Pamela

Much Appreciation from PAC Chill

Career Pathway Updates

Happenings In the New Year, 2019:

College Career Seminar: We have had a wonderful panel of guest speakers present to our students from a variety of career pathways. Sepideh Yeoh, our Oxnard teacher for CCS organized this wonderful event for our students who benefitted greatly from what each speaker had to share.

We continue completing our 10yearplans online and are moving into the culminating exercise of having a mock interview experience. We have another wonderful group of dedicated business professionals who are volunteering their time to interview our students and give them feedback. To prepare for this interview, students are working on cover letters and resumes as well as practicing interviewing skills. We look forward to all that our students will learn through this experience.

Additionally, Moorpark College is hosting a CTE (Career Technical Education) event at the college to give students first hand experiences in the classrooms on the campus. We are looking forward to this opportunity on March 14, 2019.

Hospitality, Tourism and Management:

We have begun our second semester class with a lively group of interested students. We are looking forward to learning about the Hospitality Industry and planning our graduation with all the aspects involved in event planning as a culminating project.

We took a group of 13 students to Disneyland in January to experience the Youth Education Series. Students had 3 hours with a “cast member” learning about leadership and doing team building exercises. We had a rainy day and a wonderful time together.

Intro to Law and Criminal Justice: Criminal Justice students recently toured the Ventura County Sheriff's Department training academy where they drove virtual police cruisers in a high speed pursuit. These students are currently studying the effects of historical Supreme Court decisions on current police procedures. Introduction to Law students recently visited the Ventura County Superior Court and sat in on jury selection in a felony trial. Our class was also

visited by an attorney from the Ventura County Public Defender's Office. Students are learning about the parts of a trial, and will soon be conducting their own mini mock trial.

(Networking Pathway - Year 1)

Since the last **IT Fundamentals** update, students have learned to differentiate among CPUs in terms of speed and features; the types and technologies of memory in a PC; a motherboard's form factors and features; and, the purpose and functions of a power supply. They have learned to differentiate among expansion card and slot types; are able to identify the common ports and connectors on a PC; describe the types, technologies, and connectors for monitors; explain standard input devices; and describe other common I/O devices. Students have learned to differentiate among types of storage and choose appropriate storage locations. They learned to prepare a computer work area; unpack and set up a new, desktop computer; and complete post-setup tasks. Students are currently learning about the different types of operating systems; and will soon be learning how to work with applications.

(Networking Pathway - Year 2)

Since the last **IT Essentials** update, students have learned to use shell commands, shutdown a Linux system, install a UPS and power supply, choose and install a motherboard, troubleshoot system power and power supply problems, select and install a processor, troubleshoot processor installation, select memory by sight, install triple channel memory, troubleshoot memory, find BIOS/UEFI settings, clear CMOS settings, install expansion cards, upgrade a video card, select and install a sound card, connect a KVM switch, install USB devices, install a USB adapter, connect FireWire devices, select and configure dual monitors, optimize video settings, manage devices, and install SATA devices. Students will be learning to create RAID arrays, implement a RAID solution, create volumes, format drives, add space to existing volumes, implement storage spaces, perform disk maintenance, and troubleshoot SATA devices.

Since the last **IBEF** update, students completed the first six parts of their in-class, company, business plans: Management Team Plan; Company Description; Product and Service Plan; Vision and Mission Statements; Industry Overview; and Market Analysis. They put their ideas in place by developing product/service mockups and holding two focus groups: in class across companies, and with the River Oaks staff. These experiences helped them refine their products more with each feedback review, so that the students were able to successfully run their "store" booths at the Westlake campus' "Family Math Day" in December. They are now beginning to learn about the financial side of running their businesses by first learning about the different company setup options (i.e., Sole Proprietorship, Partnerships, and Corporations). Students will soon be learning about financial accounting; personal financial planning; finances and career planning; and, consumer purchasing and protection.

OXNARD Resource Center

Oxnard Resource Center: 

Attention! We have 2 events next week 

3/14 (Pi Day) STEAM EXPO 2019 at Oxnard 10-11:30 
Join us for a day of hands on activities and students' presentations from textiles to technology. Pizza will be served at 11:30.

3/14 High School Meeting 12-1:00.
All high school students their parents are required to attend this meeting. Parents are welcome to attend.

3/25, 3/26 Prep. and Pizza 
3rd-8th and 11th grade students will be learning test taking strategies in math and ELA during lunch time. Pizza will be served!

3/27 SAT School Day in Westlake 8-1:00 
Please see your teacher to register for the test. It will be offered at our WL resource center only.

3/29 Community Impact Food Drive ends.
Please bring in non-perishable items (canned or boxed). We will be donating them to Food Share Ventura County. Students in Community Impact have set their goal to collect at least 275 food items. Please help them achieve their goal!

Problem of the Month:

The new problem of the month is already up! Don't miss the chance to win the challenge!
Please see your teacher to register for the test. It will be offered at our WL resource center only.

3/29 Community Impact Food Drive ends.
Please bring in non-perishable items (canned or boxed). We will be donating them to Food Share Ventura County. Students in Community Impact have set their goal to collect at least 275 food items. Please help them achieve their goal!
