

Basic Independent Study Schedule

Elementary/Middle School (6-7)

Plan A

3 hours of work a day Monday - Friday

1 hour of English Language Arts

1 hour of math

½ hour of science

½ hour of social studies

20 to 30 minutes of reading with a book of their choice or teacher/mom required

Don't forget PE

Plan B (3 hours) each day either plan.

Monday, Wednesday, Friday (alternate)

1 1/2 hour of math

1 1/2 hour of science

Tuesday, Thursday, Friday (alternate)

1 1/2 hour of English Language Arts

1 1/2 hour of social studies

20 to 30 minutes of reading a chapter book of their/mom's choice.

And don't forget PE

Enrichment: online

Brainpop

Khan Academy

Discovery Education

History Channel (connect to curriculum)

Enrichment: Field Trips

Take pictures of event. Write up experience that connects to curriculum

Suggestions for preparing lessons/paperwork:

Pull the pages ahead of time.

Have the work for the day set out.

This way there are less distractions and your student will feel success.

Choices:

Give your student a choice of the order in which he wants to complete work for the day.

Make it clear, work assigned if not completed the day of assignment, needs to be added to the next day's work.
