Notes:

Math Lab and ELA Lab are for 3rd-5th Mon & Tue; 6th-12th Wed & Fri. Students must show up with questions. Math/ELA lab do not replace instruction since it follows the format of a study hall with students from multiple grades using different curriculum.

Middle School Math workshops are for students using Jump Math. Ms. Yoko will be teaching lessons and providing support during the workshop. Ms. Yoko will be following the pacing guide (subject to change) shared on the Math Google Site. Meeting days: Mondays (lessons) and Wednesdays (lessons). Parents are responsible for grading the daily work, quizzes, and tests. Quizzes, tests, and answer keys are available on the Math Google Site.

High School Math workshops are for students in Elements of Math, Integrated Math 1/1B/2, and Algebra 2. The instructors will be following the pacing guide (subject to change) shared on the Math Google Site. Access to ebook (Integ. Math 1/1B/2) will be given during the first meeting and also shared with your Coaching Teacher. Students will attend three (3) meetings a week: Mon. (lesson), Tues. (lesson/tutoring), and Wednesday/Friday (student check). Meeting days for Oxnard: Mon, Tue, and Fri; Meeting days for Westlake: Mon, Tues, and Wed.

Math Google Site: [Click here.](#)

High School Science workshops are for students in Earth Science, Biology, and Chemistry. The instructors will be following the syllabus (subject to change) shared on the Science Google Site. Students will attend three (3) meetings a week: Mon. (lesson/week preview), Wed. (lab day), and Fri. (project/assessment day).

Please contact your Coaching Teacher if you have a schedule conflict.
