

1751 Lombard Street, Oxnard  
920 Hampshire Road, Suite X, Westlake Village

## **Summer Academy Fact Sheet:**

### **FREE Summer Program Option for your students!!**

#### **Option of all virtual or blended where the students will:**

- Work independently on a virtual platform (Edgenuity); receive personalized attention from an assigned, fully credentialed teacher
- Have access to tutoring and support in all subjects online (see scheduled daily hours) and at our Oxnard and our Westlake site (at 1751 Lombard Street in Oxnard; 920 Hampshire Road, Suite X, Westlake Village; M-F from 9-3:00). Students are encouraged to come in frequently, if they feel they need extra support or wish to complete the credits at a faster pace. Supervision and support are available throughout the hours mentioned earlier
- Use a flexible schedule to accommodate vacation/work schedules and other summer responsibilities (minimum of 5 hours of school work 5 days/week is required)
- Have UC/CSU A-G and NCAA approved classes to choose from

#### **Counselors:**

- Please prioritize the two three courses the student might need to take (or retake)
- Indicate the order of the course completion (2 courses maximum—10 credits)
- Approve the Application Form—signature preferred (virtual signature ok)
- Transcripts will be sent to schools at the end of the Summer session

#### **Students:**

- Are expected to meet with their ROA assigned teacher at least weekly (in some cases more than once, as per the assigned teacher's request) to review the academic progress. Missing these scheduled meetings with the teacher will constitute a "Missed Assignment". Three (3) Missed Assignments may result in the student being dropped from the summer school program.
- UC/CSU A-G science classes need the lab assignments done as well to get full credit
- Students are encouraged to come to the ROA Oxnard or Westlake facilities for in-person support (hours are from 9:00-3:00 daily)

#### **Course Specifics:**

- Courses are UC/CSU A-G and NCAA approved
- Science labs—Biology, Earth Science and Integrated Science courses all satisfy the A-G requirement. Students must take the lab portion and complete the lab assignments to get full credit
- Students may withdraw from a course within the first three (3) weeks of the summer program. If a student withdraws during this time, the course will not appear on the student's transcript.
- Academic honesty rules apply for all summer school classes. For more detail see the High School Handbook.

<https://www.riveroakscharter.com/highschoolhandbook/>

**Attendance:**

- Due to the concentrated nature of the Summer Academy, regular attendance is crucial. More than one unexcused absence may lead to withdrawal from the program.
- Each day of Summer School is roughly equivalent to a week's worth of coursework during the regular school year. Therefore, daily attendance is required.

**Discipline:**

- During summer school, all school rules apply as outlined in the ROA High School Student Handbook. Students are subject to disciplinary action and removal from the summer school program for inappropriate behavior. The dress code is also in effect for summer school.

**Grading:**

- If a student is failing or near failing at mid-term of summer school, parents will be notified in writing. Final grade reports will be sent to the school and to parents upon the conclusion of the summer session (August).

**Time-line/Schedule:**

- July:
  - Official start of ROA's Summer Academy: June 27th (no class on July 4th)
    - Last day to enroll and start: July 2nd
- August:
  - Last day of Summer Academy August 5th.
  - Transcripts for the Summer Academy class/es will not be available until August
