- 8. Review, Discussion, and Approval of the revised agreement for OT services provided through our SELPA. The new agreement is not to exceed: \$16,320, which is an additional \$4,080 from the previously approved contract.
 - c) The VC SELPA is providing the OT service provider for ROA students who have OT services on their IEPs. While we anticipated the hours based on last year’s needs, we realized that we have more students requiring OT services and needed to increase the contracted hours, so the SELPA would have a provider available to render them. The

revised agreement adds one additional hour of service per week (the previous one contracted 3 hours of services/week, while the new one moves to 4 hours/week).
